Education and Professional Experience:

Charlie Jones is a former professional athlete. Drafted in the 37th round in 1997 for the Arizona Diamondbacks out of Florida Atlantic University after his Junior year. Charlie pitched in a 4 year career for the Arizona Diamondbacks organization. This experience is what has formed Charlie's work ethic and "I can do it attitude." This mentality is critical to the success and focus of Charlie's life approach. Life can throw you plenty of curveballs but can't be struck out. Charlie is always willing and therefore always studying to be better and more educated. His current studies include law school where he is seeking his JD degree.

Currently, Charlie is the General Manager of Barkett and Kenney Construction. Charlie has managed successfully with the outstanding team at Barkett and Kenney, \$300,000,000.00 in appraisal work for Florida Insurance Guarantee Association and for the insured. In addition to this Barkett and Kenney Construction has received awards from the Parade of Homes for Best Contractor Quality Craftsmanship 2008 from the Treasure Coast Builders Association and Best Small Commercial Project in Indian River County 2008 for Seaside Smiles Dental Office. These accolades are a small part of the successes that Charlie has been a part of while in the Construction Industry.

Charlie's life growing up has been consumed with Construction and Insurance. Charlie's Grandfather was a General Contractor in South Dakota and Charlie's other grandfather was an Insurance agent in Minnesota. Charlie's Dad is a Commercial Property Owner, Manager, and Developer in Minnesota and Florida. Charlie's interests unknowingly at the time have been formed with this influence in his life.
